THE COLLINS

At The Collins we have left no stone unturned in the search to provide a global feast of some of the finest spirits, liquors and fancy drinks.

Many of the classics we attempt to recreate in a manner in which they were originally crafted and using bespoke antique glassware, hand chipped ice and vintage bar tools.

Many of these classics can be recreated using any of our unique back bar spirits. Just ask your friendly waiter or barkeep.

Alternatively sit back relax and enjoy one of our unique spirits straight up or over hand crafted triple frozen fresh chipped ice.

We offer one of the largest selections of handpicked and rarest Gins, Bourbons and Rums within Australia.

Good health!

"In all ages of the world and in all countries men have indulged in "social drinks". They have always posed themselves of some popular beverage apart from water and those of the breakfast and tea table. Whether it is judicious that mankind should continue to indulge in such things or whether it would be wiser to abstain from all enjoyments of that character, it is not our province to decide.

We leave that to the moral philosopher. We simply contend that a relish for "social drinks" is universal; in the United States of America more than any other country in the world; and that he, therefore, who proposes to impart to these drinks not only the most palatable but the most wholesome characteristics of which they may be made susceptible is a genuine public benefactor."

'Bartenders Guide-How To Mix Drinks' by Jerry Thomas 1862
